

CANADA WILL SEND  
HOST FOR PAGEANTDistinguished Women of the  
North Will Take Part in the  
Suffrage Parade.

Dr. Stowe-Gullen, honorary president of the Canadian Suffrage Association, heralded as one of the most distinguished women of Canada, will be in Washington March 2, to take part in the big pageant. Notice of this was received at suffrage headquarters today. Mrs. Flora MacDonald Denison, of Toronto, a prominent Canadian suffragist, has also notified headquarters here that she will be in the pageant. A party of distinguished Canadian women will come in a special train scheduled to arrive in Washington Sunday, March 2. All of these are well known advocates of woman suffrage and will form an attractive feature of the pageant. A special section will be provided in the procession for these women.

Mrs. Lawrence Lewis, a prominent society woman of Philadelphia, arrived here today to assist in the work of preparing for the pageant. She declared that the Philadelphia contingent will be one of the largest in the pageant. Several special cars will come from there, arriving the night before or early the morning of the pageant.

Miss Eleanor Lawson, the well-known actress of New York, notified the pageant committee today that she would be here to take part in the tableau. She will take the part of Justice in the portion of the pageant displayed on the Treasury steps. Miss Lawson is a Californian. She was born in San Bernardino county and her early years were passed in the midst of the Indians there.

A letter today from Senator Miles Poindexter of Washington, expressed his pleasure at being invited to take part in the pageant. He will march with the Congressional section. It was reported from headquarters today that many Senators and Congressmen had expressed a wish to take part in the pageant if they were not prevented by the closing hours of Congress.

Matters connected with the pageant will be explained at a meeting to be held at the headquarters of the National Association of School Superintendents, Miss Brown will leave for Philadelphia in a day or two to speak before organizations there on the pageant.

Miss Mary Johnston, the well-known novelist, will be the principal speaker at a meeting tomorrow night at McKinley Manual Training School.

MASONIC MEMORIAL  
DELEGATES GATHERMeeting of George Washington Association Tomorrow Will Be  
Attended By President Taft and Former  
Governor Montague.WASHINGTON TIMES BUREAU.  
ALEXANDRIA, VA., FEB. 20.

The first delegates to the meeting of the George Washington Masonic Memorial Association, which convenes in Masonic Temple tomorrow morning, are expected to arrive this afternoon and evening. At 8 o'clock tonight there will be an informal reception to the delegates and special guests in the lodge room of Alexandria-Washington Lodge.

The first regular meeting of the association will be held at 8:30 tomorrow morning, and will be called to order by the president, Thomas J. Shryock, grand master of Masons of Maryland. The morning will be spent in discussing a number of important business matters in connection with the erection of the Masonic memorial to Washington in Alexandria.

At 2:30 p. m. a reception will be tendered President Taft, who is patron of the association, having been elevated to this position a year ago. President Taft expects to remain in Alexandria a short time only.

There will be business sessions after the departure of the President tomorrow night at 7:30 p. m. and on Saturday morning. At 3 p. m. on Saturday the members of the association will accompany the officers of Alexandria-Washington Lodge to Mt. Vernon, where they will place a wreath on the tomb of Washington.

At 8 o'clock Saturday night the annual banquet of Alexandria-Washington Lodge will take place in the Elks' auditorium. The principal speakers will be Charles A. Towne, of New York, and former Gov. Andrew Jackson Montague, of Virginia.

Henry, the four-year-old son of Aaron Johnson, was fatally burned at his parents' home on Wolfe street yesterday afternoon. The child had been left alone in the house and played with fire, and his clothing was ignited. He died at the Alexandria Hospital last night.

A coroner's jury, after viewing the body of Earl Travis, the five-year-old son of Mr. and Mrs. A. O. Travis, who was killed by being run over by an automobile on Mt. Vernon avenue yesterday morning, returned a verdict that Frank Pharrington, colored, of Washington, was the driver of the car, but they failed to charge Pharrington with the boy's death. The driver claimed that he was operating the car at a reduced speed when the child ran out on the road in front of the car and was knocked down. Pharrington was given a preliminary hearing this morning before Police Justice R. Gordon Finney, at Alexandria court house, on the charge of operating a car without a Virginia license.

Charles Joseph Ayres, infant son of Mr. and Mrs. Charles J. Ayres, died at the residence of his parents, 238 South Pitt street, last night.

At the annual meeting of the George Washington Birthdays Association which was held last night in the rooms of the Chamber of Commerce final plans were made for the visit of the officers and members of the association to Mt. Vernon on Saturday morning, when in accordance with an old custom, a wreath will be placed on the tomb of Washington. The party will leave Alexandria at 10:30 o'clock. The association decided to hold a parade and celebration in Alexandria on Washington's Birthday next year.

The following officers were elected: E. B. Downham, president; R. M. Graham, first vice president; O. H. Kirk, second vice president; Harry Hammond, third vice president; Thomas Chauncey, fourth vice president; Harry B. Catton, fifth vice president; Harry White, secretary; Carroll Pierce, treasurer. An advisory committee, composed of four former presidents of the association, were elected as follows: F. J. Paff, A. D. Brockett, Julian Y. Williams and John H. Trimmer. The following chairmen of committees were named: W. A. Smoot, reception; Peter von der Westraaken, entertainment; W. H. Luckett, music; J. M. Duncan, transportation; T. L. Hall, carriages; Louis N. Duffey, press; W. W. Ballenger, decorations; H. D. Kirk, civic organizations; Frank L. Slaymaker, military; Kenneth W. Ogden, theater; J. William May, secret organizations.

Fire this morning destroyed the two-story frame residence at 221 South West street. Fannie Brown, colored, who rents the house, faints as soon as she discovered the house to be on fire, and was removed from the building by Officers Nicholson and Kerns.

Finds Opium in Shoes.  
NEW YORK, Feb. 20.—Noticing that Charlie Chow, a Chinese, was wearing unusually large shoes, Patrolman McNaught investigated and found they concealed a quantity of opium.

## Sings as Surgeons Work.

NEW YORK, Feb. 20.—While surgeons were setting her left leg, which had been broken in two places, Mrs. Violet Deverne, cabaret singer, entertained them with popular songs.

Don't Fret  
About Pimples

No More Humiliation; the Wonderful Stuart's Calcium Water. "Get Right After" Those Pimples, Bolls and Skin Eruptions.

No need for anyone to go about any longer with a face covered with pimples, blotches, eruptions, blackheads, and liver-spots. These are all due to impurities in the blood. Cleanse the blood thoroughly and the blemishes will disappear.

"A Short Time Ago My Face was Full of Pimples. Now They're All Gone! I Used Stuart's Calcium Water." That's what Stuart's Calcium Water is. It's Calcium Sulphide, the quickest and most thorough blood cleanser known. These wonderful little wafers get right into the blood, and destroy eruptive substances present in it. In some cases a few days is sufficient to make a marked improvement. And when the blood is pure the whole system is a hundred per cent better.

Go to any drug store and get a 50 cent box of Stuart's Calcium Water. Get them today. Don't fret any longer about those blackheads, pimples, bolls, tetter, eczema, spots or skin eruptions; they all go and "go quick" if you use Stuart's Calcium Water.

## Health and Beauty Hints

BY MRS. MAE MARTIN

Margaret: You can overcome the lifeless, "stripy," brittle condition of your hair and make it soft, brilliant, and luxuriant again by the use of this simple quinine tonic. Get one ounce of quinine from your druggist, dissolve in half-pint alcohol, add ½ pint water. Vigorously scalp massage with this tonic will stimulate roots and thus to healthy action, overcome dandruff, oiliness and irritation and the hair will regain former color, gloss, and life.

Maid: Get a small, original package of pyroxin and apply some occasionally at bath-rooms with brush and forefinger. This makes short, straight eyelashes grow long and curly. Rubbing pyroxin on eyebrows with forefinger will cause them to come in thick and beautiful. Be careful and don't get any pyroxin where no hair is wanted.

Grace M.: I know you will like delicate hair for superlative beauty. With a little water make enough paste to cover the hair; let remain two or three minutes, then rub off, wash the skin and every trace of hair will have vanished. This is an inexpensive, painless way to remove hair or fuzz and no harm results from its use.

Irene: Impurities in the blood cause the condition of which you speak and until this is corrected you can hope for no relief. An economical, old-fashioned tonic and system regulator can be made at home by dissolving one ounce of karsene in a half-pint alcohol, then adding a half-cup sugar and enough hot water to make a quart. A tablespoonful before each meal soon rids the blood of poisonous accumulations and gives you strength and energy. When the blood is cleansed of impurities the skin becomes clear and the complexion taken on a healthy tint.

Miss G.: No, I would not use paint of any make. Rouge and powder only cover defect—a spumax lotion removes them. It tones the skin, permits the pores to breathe, removes impurities and re-

places the sallow, "muddy" appearance with the pink and white bloom of health. Four ounces of spumax (which you can get from your druggist) put into half-pint of hot water to which are added two teaspoonfuls of glycerine makes the lotion which has helped many society leaders to win their reputation for perennial beauty. Try it today and you will never again spend money for powders.

Mother: Use the same shampoo for your little girl's hair that you do for your own. The only perfect shampoo is composed of a teaspoonful of cantilox dissolved in a cup of hot water. When this mixture, which contains no "free" alkali, as do so many advertised shampoos, is poured on the head and rubbed up into a lather it not only cleanses the hair and scalp, but invigorates the roots. I have never used a shampoo which leaves the hair as clean and fluffy as does this simple home-made wash.

Ethel: You can overcome your eye troubles, the weakness, redness and burning accompanied by a dull, lifeless appearance which you describe. This makes them bright, strong and clear by the use of a few drops of this mixture daily. One drop of crystal dissolved in ½ pint of clearest water. It is soothing to weak, tired eyes and a dependable tonic, in that it strengthens the muscles and tones the nerves of the eye.

Dorothy: Do not worry about your flesh. Reduction is no longer the result of painful dieting and tiring exercise. The sufferer from too much flesh now uses this simple, home-made and positively harmless fat-dissolver, which leaves the flesh firm and the skin free from wrinkles. Dissolve four ounces of paraffin in ½ pint of hot water and take a tablespoonful before meals. This results in reduction without discomfort, and the action is permanent. Read Mrs. Martin's book, "Beauty," \$5.-Adv.
